## WATER CONSERVANCY WELLS

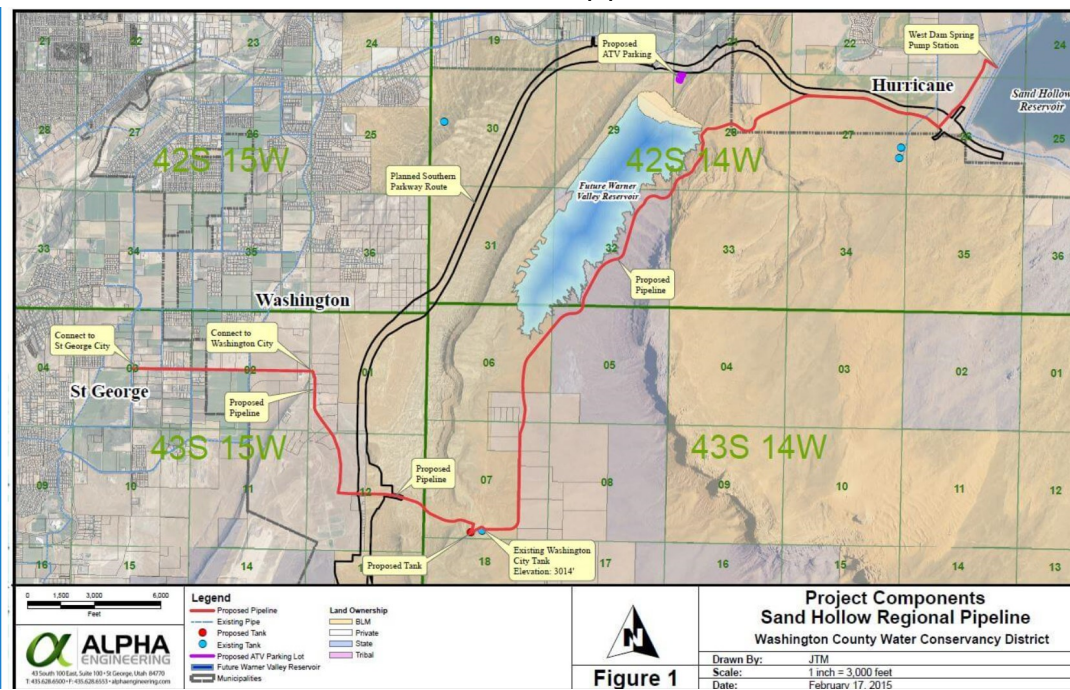

You may have noticed that there is a lot of digging on Water Conservancy Land around Dixie Springs. The Conservancy is digging water wells. They are planning to dig 5 more wells in the near future.

Two are in progress and are on the North side of Dixie Springs drive. The land for a third is being developed and it will be on the northeast corner of

Sand Hollow Road and Dixie Springs drive. So far, a road is being developed and the land for the well have been levelled.

This is part of a Sand Hollow project that is described at:

<http://www.wcwc.org/projects/sand-hollow-regional-pipeline/>

## DIXIE SPRINGS COMMUNITY FUND

The Dixie Springs Community Fund is used to:

- Fight threats to our residential community by establishing a relationship with a lawyer who can provide council and other representation
- Fund the Dixie Springs Community Web Site
- Fund the email messages (free now but there is a cost once we get to a certain size).

No funds would be used without approval of a committee of community members.

The fund will **not** be used to enforce CC&RS.

The money for the fund comes from voluntary donations. We recommend \$100 per year per home,

To contribute to the fund, put your donation into the following account at the Mountain America Credit Union: 9992856. Put your name and lot number or address as a memo on the deposit.

You could set up a \$10 a month automatic deposit into the account, if that would be easier.

Please help your community. You may not be impacted by some of the threats now, but you may be in the future and will be glad of the support of your neighbors and the fund. Let's all work together!
