## **NEWS**

There is not anything big to report this month, which is good news in itself.

Building in Dixie Springs has slowed down considerably over the summer. Other developments in Hurricane are building faster than here. There is still building going on but not at the pace of last year.

The tasks that we will be working on this year are the following:

**Dog park.** We will work with the City of Hurricane to try to get an off leash dog park constructed on the east side of the Dixie Springs Park. The city has been working with us and are looking for the funds for the project. If the park becomes a reality, we would like to have an agility course for people to use.

**Lake Powell Pipeline power lines.** People affected by the possible power lines through Dixie Springs will be going to the Hurricane City Council, the Washington County Council, the Water Conservancy and Dixie Power to make it known we want another path for the power lines to the station that is planned for the SW corner of the Sand Hollow Reservoir. It is not

known if the pipeline will go through, but there is a LOT of growth in the St George area and many groups are pushing to get the pipeline built so there is water for the population growth. This is an issue we will need to keep a close eye on. There are lots of moving parts and lots of different organizations involved, so it is hard to get the information needed.

**Section Captains.** We still need people to help contact new people and welcome them to the neighborhood and connect them with the newsletter and the community. If the name of “Section Captain” worries you, do not let it. There is nothing formal about it. These are just folks that contact people as time permits. If you can help, please email [webmaster@dixiesprings.info](mailto:webmaster@dixiesprings.info). You can help in the section you live in or any other section in Dixie Springs.

If anyone has information that would be of general interest to the people in Dixie Springs, email [webmaster@dixiesprings.info](mailto:webmaster@dixiesprings.info).

Here’s hoping everyone had a great summer and are ready for the cooler weather!

## DIXIE SPRINGS COMMUNITY FUND

The Dixie Springs Community Fund is used to:

- Fight threats to our residential community by establishing a relationship with a lawyer who can provide council and other representation
- Fund the Dixie Springs Community Web Site
- Fund the email messages (free now but there is a cost once we get to a certain size).

No funds would be used without approval of a committee of community members.

The fund will **not** be used to enforce CC&RS.

The money for the fund comes from voluntary donations. We recommend \$100 per year per home,

The Half will begin at 7 am, 5K will begin at 7:30 am.

**Dixie State University Events** can be seen at:

<https://visit.dixie.edu/calendars-events/>

They have lots of great concerts, plays, orchestra performances, etc.

For **Events in St George**, see:

have sections A through G.

To see the sections, see the following web page:

<http://www.dixiesprings.info/information.htm>

If you would like to help, contact Nancy at [webmaster@dixiesprings.info](mailto:webmaster@dixiesprings.info)

but any amount is welcome. Any use of the money will be reported in the newsletter.

To contribute to the fund, put your donation into the following account at the Mountain America Credit Union: 9992856. Put your name and lot number or address as a memo on the deposit.

You could set up a \$10 a month automatic deposit into the account, if that would be easier.

Please help your community. You may not be impacted by some of the threats now, but you may be in the future and will be glad of the support of your neighbors and the fund. Let's all work together!
